

Family Service of Greater Baton Rouge provides an impressive array of services to our community, reaching over 14,000 children and families annually. We rely, in great part, on your support so that we may continue to provide the excellent programs and services to the community.

Thank you for your contribution. It is a gift that will provide funding to support the many quality programs provided to a large number of families and individuals in our community with significant life changes. All gifts are tax deductible and are recognized in the agency's Annual Report.
